

MRS Alpha 275

NSN: 4220-12-370-2214
SOLAS life preserver with a 3D buoyancy chamber design. Docking feature for a backpack with an optional SOLAS compliant immersion suit. Optional integrated PLB.

MRS Alpha 275 FDR

NSN: 4220-12-389-6365
Flight-deck variant of Alpha 275. Can be combined with firefighter helmet (type A and B), breathing apparatus (ASG900), and firefighter suit (HUPF). The aluminised NOMEX® material is heat-reflective and fire-resistant.

Alpha 275 ES

NSN: 4220-33-203-003
Life preserver, developed for the special needs of the Spanish Navy. Allows pleasant distribution of weight on the shoulders and the most comfortable fit. It has a tight contact to the body and is not bulky.

Alpha 275 ABS HAV

275 N SOLAS life preserver with integrated MOLLE vest and 2 litres hydration pack. Used by maritime emergency response teams.

MRS-KSA

NSN: 4220-12-306-0594
Life preserver with an integrated Cold Protection Suit, which delays the onset of hypothermia in cold waters.

MRS-LS

NSN: 4220-12-349-6255
Single chamber 275 N life preserver, designed for the needs of crews with heavy equipment. Equipped with sprayhood.

MRS-BT

NSN: 4200-12-343-3676
Single chamber 275 N life preserver, designed for the needs of crews with heavy equipment. Can be switched to manual activation only for transportation in aircrafts.

PAL

Personal Abandonment Lifejacket. 275 N pouch type life preserver with double chamber design (manual/oral). Optionally available in compact vacuumised bag.

Golf 150

NSN: 4220-12-343-7278
Lightweight 150 N life preserver for universal applications.
